

Introducing the **Hally Liner Recycling Program**

Five simple steps to reduce your waste to landfill and make a positive change for good!

1  **Join the Hally Liner Recycling Program.**

4 

When you have filled your box. Contact us and we will organise pick up or delivery to nearest depot.

3 

You start recycling! Fill your box with liner that follows our **Recycling Rules**.

2 

We ship Hally approved liner box and pallet to you.

5 

Liners are sent for recycling. Liners are shipped on your behalf to one of our designated recycling facilities.

Packaging Bundle

We've bundled the packaging and freight costs for our Program into one easy package.

The bundle costs \$500 ex. GST and includes:

✓ Hally Liner Box

This is an approved heavy duty box and lid which has been designed to hold between 500kg and 1000kg of liner and fit onto the approved export pallet

✓ Export Pallet

This is the approved heat treated export pallet which has been designed to fit into a 20 foot container stacked 10 x 2

✓ Packaging Delivery

One way delivery of empty Hally Liner Box and Pallet to client location

✓ Pick Up Freight

One way return of full Hally Liner Box and Pallet from client to depot

✓ Recycler Handling Fee

Consolidation of the returned glassine liner into the shipping container and completion of the export declaration for paper waste

✓ Coordination Fee

Coordination and administration provided by Hally

ORDER USING REFERENCE 340468

Recycling Rules

White Glassine Liner only - no coloured, kraft or plastic liner

Liner must be free of labels, adhesive and plastic material

Liner must be clean, dry and free of contaminants

Liner is accepted loose or as tightly wound rolls, with or without cores
