

Welcome to Hally Labels online customer portal, **Web4Labels**.

Web4Labels gives you full online access to ordering, quoting, artwork management, reporting and inventory management - all in real time.

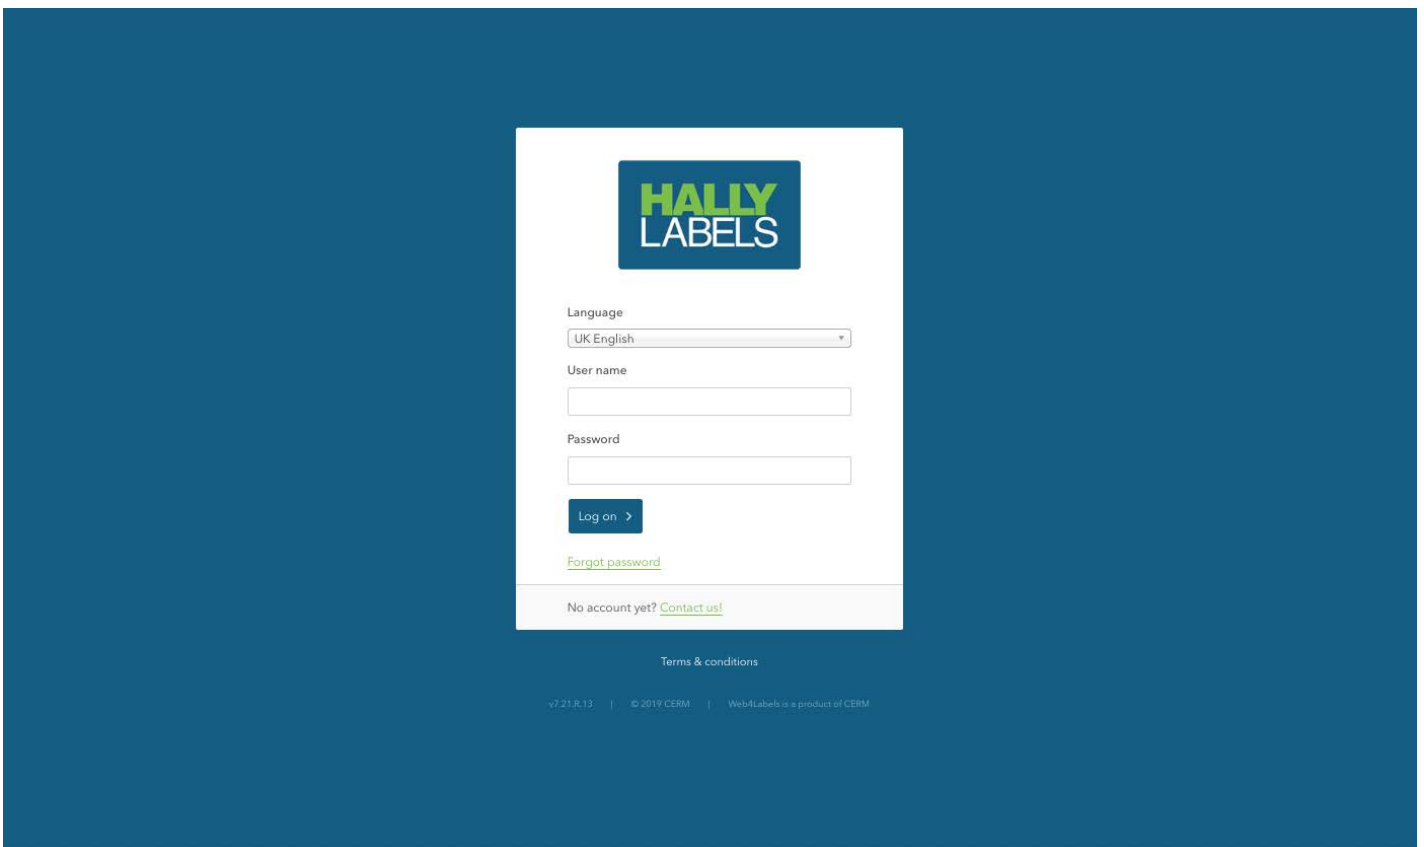

This user guide will show you how to get started. For further help please contact your Hally representative as indicated on your **Web4Labels** dashboard, or contact us at hallylabels.com

Logging In;

Go to - hallylabels.com and click  on the top right of the screen.

We recommend you add the **Web4Labels** website to your bookmarks or favourites for quick access.

Type in your **User name** and **Password**

Home screen and Dashboard

- 1 List of your order progress and your Hally Labels contacts
- 2 Link to Request for quote
- 3 Link to your products
- 4 Link to your projects, your products grouped by die and material
- 5 Link to your Pending products, products in an artwork approval process
- 6 Link to your companies order history
- 7 Link to your shopping cart
- 8 Link to your account details
- 9 Log off

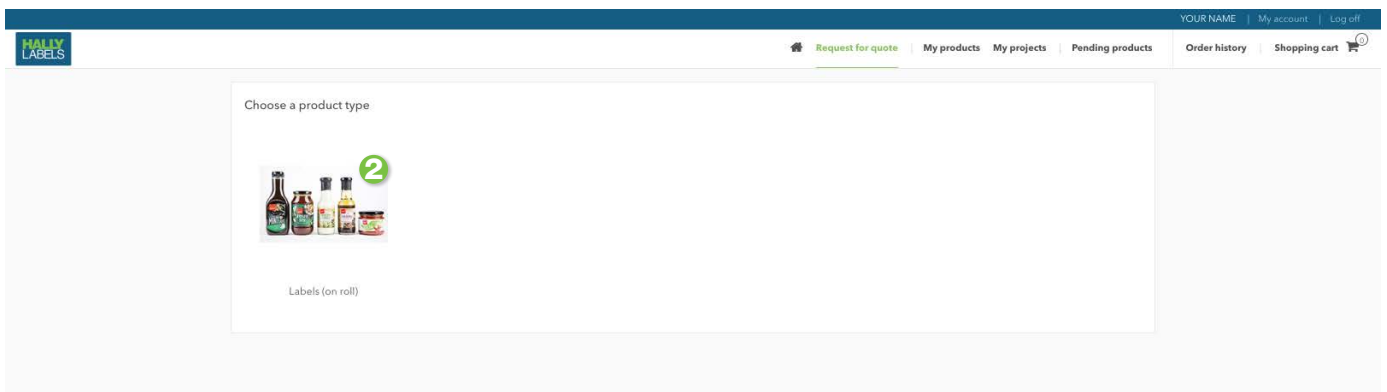

The screenshot shows the Hally Labels dashboard home screen. At the top right, there are links for 'YOUR NAME', 'My account', and 'Log off'. Below this is a navigation bar with links for 'Request for quote', 'My products', 'My projects', 'Pending products', 'Order history', and 'Shopping cart'. The main content area is titled 'Welcome YOUR NAME' and contains a 'You have' section with a list of order statistics: 0 RFQs waiting to be calculated, 1 product waiting for approval, 0 orders not yet shipped, 0 orders shipped today, and 0 orders shipped this week. Below this, it lists the customer service person (Kathryn Dalgas) and the representative (Allen Ford) with their contact information. The dashboard is annotated with green numbered callouts: 1 points to the main content area, 2 to 'Request for quote', 3 to 'My products', 4 to 'My projects', 5 to 'Pending products', 6 to 'Order history', 7 to 'Shopping cart', 8 to 'My account', and 9 to 'Log off'.

Request a Quote, for a new project

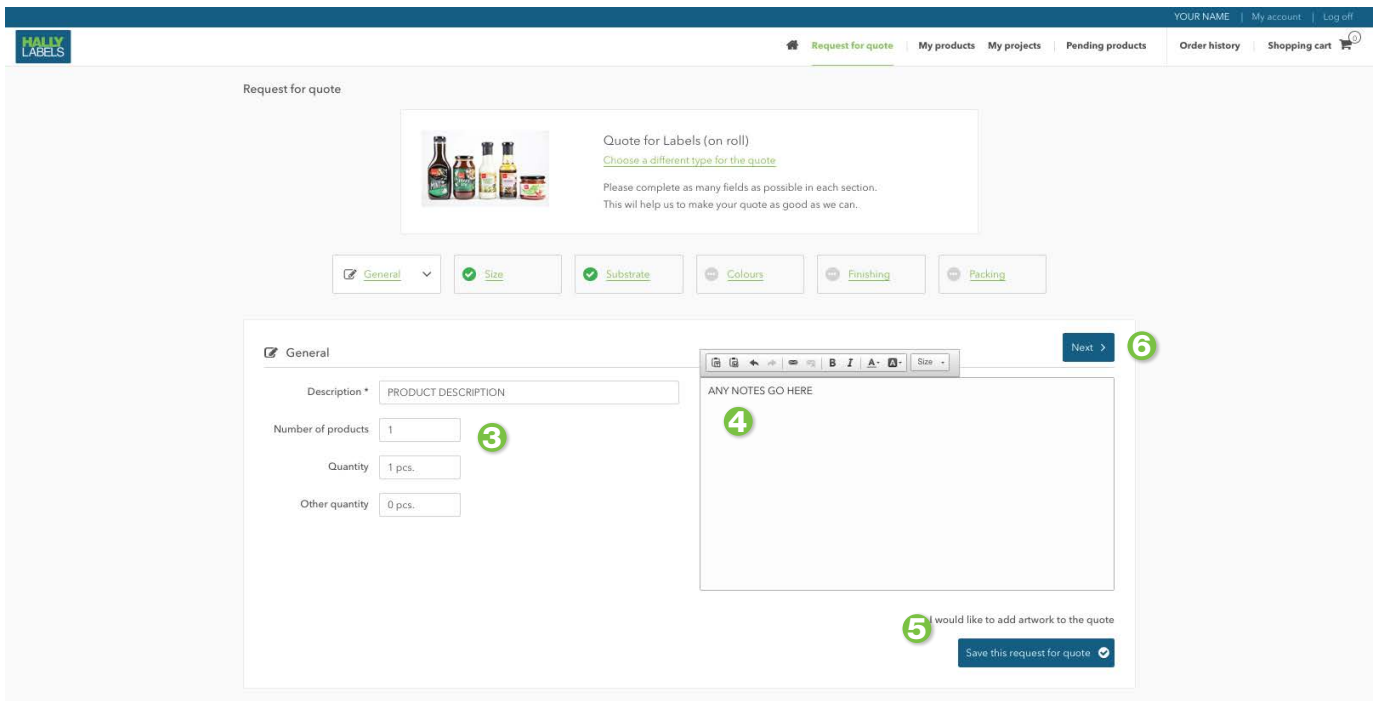

1 Select the "Request for Quote" link

2 Click the Labels (on roll) image

- 3 Fill out the **General** details; number of products and the required Quantities
- 4 Any relevant notes can be added into the notes section
- 5 You can upload a PDF for our estimators to view by ticking and following the screen
- 6 Click Next to continue

- 7 Select your finished roll winding direction, shape, and label size
- 8 Click Next to continue

Request for quote

Once you have found the similar product by either method above

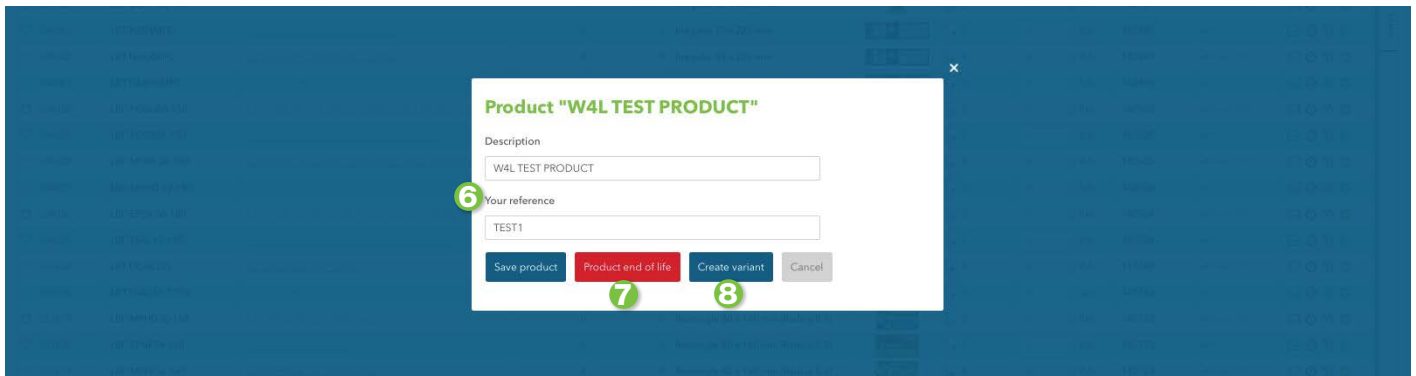

- 5 Click on the products **Description** to copy to a new variant

Product ID	Description	Your product reference	In stock	To deliver	Image	Project ID	Size	Winding	Order quantity	Status	Action
333587	LBT-ASNS70LMF	LBT-ASNS70LMF	0	0		147553	Irregular 65 x 230 mm	3	0 lbs	Proof OK	
333586	LBT-ASNS70MF	LBT-ASNS70MF	0	0		147553	Irregular 65 x 230 mm	3	0 lbs	Proof OK	

Product Description link

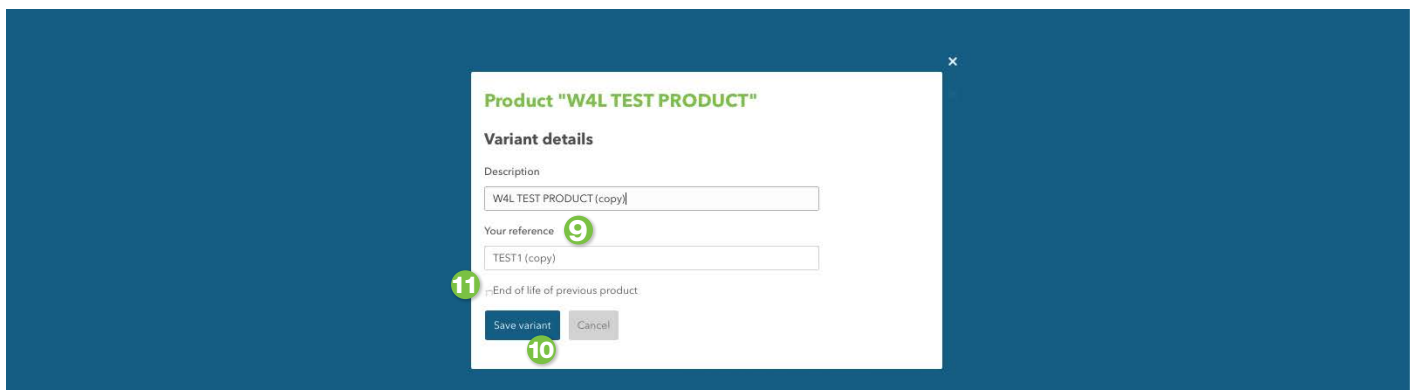

There are a few things you can do from the product description link;

- 6 Change the **Description** and **Your reference** of the product, then save
- 7 End the life of this product, if you know it is no longer required
- 8 or Create a Variant product

Once you have clicked on Create Variant;

- 9 Fill in the **Description** and **Your reference** of the new product
- 10 Then click **Save variant**
- 11 You can also End the life the previous product if this new variant is replacing the previous product

The new product will now appear at the top of the product list

12 You can now upload your artwork by clicking on the Upload your files link
